

Covid19 Activity Report

Name of the Institute	ICFAI University Tripura, AISHE Code: U-0494
------------------------------	---

<p>importance on urbanization but it is very important to give importance on tourism sector. The state Tripura is the destination for tourists and it is also missing in the budget discussion that there is not any steps for the and reduce her central dependency and it is important point that there are no provisions mentioned about employment or job opportunities and pay revision matters in the budget, pointed out by the Economist Dr.S.Das.</p>  <p>As part social duty apart from empowering citizens through world class education, ICFAI University, Tripura made an effort to produce hand sanitizer in countering of Coronavirus and it has been decided that hand sanitizer will be distributed totally free of cost among local people.</p> <p>74% people living in TCS/TPS Gr-II - 2020</p>	<p>LLM nabaron sir group Icfai St, ICFAI St, +91 70054 47650, +91 7...</p> <p>First of 27 MARCH 2020 are advised not to be tensed about your course and study. Thighs will take its usual course of action. Your concern always be taken care of. Staying free of tension is very important in this point of time. Take care of yourself and family and stay home.</p> <p>+91 81318 38485 ~Pinky Thanks sir U too stay safe n take care of ur family</p>
 <p>Card making by paper cutting</p>  <p>Craft making by Paper</p>	 <p style="text-align: center;">ICFAI UNIVERSITY TRIPURA</p> <p style="text-align: center;">“STAY AT HOME & KEEP INDIA SAFE”</p> <p style="text-align: center;">Protect yourself and others! Follow these Do's and Don'ts</p> <p>Do's</p> <ul style="list-style-type: none"> Provide frequent hand washing. Wash hands with soap and water or use alcohol based hand rub. Wash hands even if they are visibly clean. Cover your nose and mouth with handkerchiefs/muslin while sneezing and coughing. Throw used tissues into closed bins immediately after use. See a doctor if you feel unwell (fever, difficult breathing and cough). While visiting doctor wear a mask/cloth to cover your mouth and nose.
