

Faculty of Special Education

The Faculty of Special Education of the ICFAI University, Tripura is established to promote quality education, research, training and consultation in teaching with a global perspective to meet the challenges of the fast changing trends in the field of Special education.

FOSE of IUT offers B.Ed Special Education (MR) and D.Ed Special Education (MR), Faculty of Special Education aims at developing a new cadre of teaching professionals through a rigorous full-time program. It realizes the individual differences in teacher trainees and consequently attempts to provide specially designed training programs that will facilitate development of necessary abilities and skills in each teacher trainee special Education so that they will be able to meet the challenges of the competitive era ahead of them in the best way possible.

Special Education teacher trainees program structure readies them for embarking on a fulfilling professional journey spurred by reflection and practices. Moving away from 'show and tell' to 'learning by doing', the course will be skill oriented, and offer various opportunities of interaction with self, students, schools and communities. Every trainee has an opportunity to hone their skills by obtaining and synthesizing essential knowledge, principles and concepts from various disciplines and testing their validity in dealing with issues related to education.

As a professional institution of teaching, Faculty of Education has a responsibility to prepare qualified professionals in teaching and academic leadership. It is expected that the students seeking admission should accept the responsibility to adhere to the highest ethical standards and code of ethics prescribed by Faculty of Education.
