

Placement Brochure 2017

The ICFAI Group

Pioneering professional education since 30 years

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world class quality education. The Institute announced its arrival into the Indian education fora by launching a high end, innovative professional program in financial analysis in 1985. The Program was first-of-its-kind in India, aimed at equipping students and working professionals with cutting-edge knowledge in contemporary areas of finance. Since its establishment, ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

Innovation has been the mainstay of ICFAI Group with innovation prevalent in its programs and even its culture. Subsequently, there was a big leap when ICFAI Group started its chain of business schools (IBS) across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top ranked B-Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

Another example that is a testimony to the culture of innovation is the introduction of Case Study methodology at IBS. The Case Research Center at IBS, has become a center of excellence and has won several accolades across the world.

ICFAI Group has 2 Strategic Institutional Units, the ICFAI Universities and the ICFAI Business Schools. In all the programs offered across these units, the emphasis is on adherence to academic rigor and differentiated curriculum that bridges the industry – academia gap.

ICFAI Group focuses on learning rather than instruction. In addition, the institute is engaged in

important areas of research covering environmental sustainability, agricultural economics, health policy, financial economics, banking, intellectual property rights etc. There have been path-breaking research and good quality publications in these areas.

Flexible and tech enabled learning also plays an important role in ICFAI's teaching methodology. The delivery takes place with the use of hi-tech learning management system at campus programs and content delivery for distance learning through online medium.

ICFAI Group practices the value of academic integrity at all levels. As a policy, admissions are purely based on merit and there is nothing like capitation fee et al. The fee payable is published in the application material and that remains unchanged.

The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among its graduating students. They carry an attitude of ownership of their work. ICFAI Group strives to make the students - DOERS. The programs are designed such that the students & professionals graduating from the institution have the ability to take risks, make decisions and own the work. ICFAI Group strongly believes in developing an 'entrepreneurial mindset' among its graduating students.

At ICFAI, students inculcate research and analytical orientation due to its institutional strength and support for the research and development activities. Holistically, the student undergoes a transformative change.

The alumni of ICFAI Group are working in renowned companies world-wide. Collectively, ICFAI Group alumni contribute significantly to the growth story of India.

Awards won by the ICFAI Group

The ICFAI Universities

ICFAI has established 11 Universities across India. The ICFAI Universities are located at Hyderabad [The ICFAI Foundation for Higher Education (IFHE), which is a Deemed University], Dehradun, Himachal Pradesh (Baddi), Jaipur, Jharkhand, Meghalaya, Mizoram, Nagaland, Raipur, Sikkim and Tripura.

The ICFAI University, Tripura

The ICFAI University, Dehradun

IFHE, Hyderabad

The ICFAI University, Meghalaya

The ICFAI University, Mizoram

The ICFAI University,
Himachal Pradesh (Baddi)

The ICFAI University, Raipur

The ICFAI University, Jaipur

The ICFAI University, Jharkhand

The ICFAI University, Nagaland

The ICFAI University, Sikkim

Vision Meritum Ethicus

To be a top ranking private university of choice for students, staff and corporate, recognized for excellence in Higher Education and Research specially relevant to social needs.

Mission Learning for Leadership

The mission of the University is to offer world class, innovative, career-oriented professional post graduate and undergraduate programs through inclusive technology-aided pedagogies to equip students with the requisite professional and life skills as well as social sensitivity and high sense of ethics. The University will strive to create an intellectually stimulating environment for Research, particularly into areas bearing on the socio-economic and cultural development of the state and the nation.

Vice Chancellor's Message

The modern world is dynamic, nonlinear and complex. In this fast paced competitive world, unabated learning and ability to innovate are the key focus areas of most organizations. Only those professionals, who have the passion for facing challenges, courage for embracing novelty and competence to be creative, can really excel in such a scenario. This requires that one thinks in a holistic manner, performs to be effective, and delivers to the delight of the multiple stakeholders. We, at the ICFAI University, Tripura (IUT), have designed our programs, keeping exactly these demands of the industry in mind and to ensure, that the students get opportunities to maximize their learning and increase the horizon of their knowledge. The University has always strived to maintain high standards of quality both in terms of its curriculum and also in terms of the students, who pass out of this hallowed portal. The presence of vigorous university-industry collaborations and industrial training opportunities help students of IUT, to excel and be ahead in the competitive professional environment. Apart from the academic focus, we also believe in the development of social and emotional quotient of the students which would ultimately help in shaping their personality as a whole. The students are exposed to a host of sports, cultural and organizational activities on its vibrant campus. This integral and value based formation will propel our students to be innovative, competent and socially aware leaders of tomorrow who would seek to bring in continuous learning and growth in the organizations they join. The diversity and knowledge in the students would surely help you in seeking young talents for the various challenging roles in your organizations. It is a privilege for me to welcome you to IUT and its placement process, and I am sure the expectations of your organizations would be duly met by this current batch of technical and management graduates of IUT. I wish my students, all the very best in their entire future Endeavour.

Dr. Ajay Pathak
Vice Chancellor

The ICFAI University, Tripura

Pro Vice Chancellor's Message

Learning is a continuous process. And the role of effective communication is vital in it. Be it while acquiring knowledge or applying the same in work, education is always incomplete without a good command over communication skills. The ICFAI University, Tripura understands its importance and so thrives to deliver the best practice sessions to its students, especially in soft skills apart from the regular text book knowledge. Also, we believe that exposure to practical field is a must to build any person to be capable to call oneself ready for the real industry world. That is the reason behind the incorporation of three internship modules, two each of two months pursued during the semester breaks and one of six months during the final semester, in the curriculum apart from the various industry visits, seminars and workshops that is held at short intervals. The curriculum also allows students to take up live projects in lieu of any one elective subject if they wish in their final year of study. To help our students discover their potential, we at ICFAI University, Tripura encourage our students to involve themselves in various extracurricular activities, both inside as well as outside the campus. This collective endeavour has helped our students to be not only diligent and sincere workers but also good managers. The diversity and knowledge in the students would surely help you in seeking young talents for the various challenging roles in your organizations. It is a privilege for me to welcome you to IUT and its placement process, and I am sure the expectations of your organizations would be duly met by this current batch of technical and management graduates of IUT. I wish my students, all the very best for their future.

Prof. Biplab Halder

**Pro Vice Chancellor,
The ICFAI University, Tripura**

The ICAI University, Tripura

The Institute of Chartered Financial Analysts of India University, Tripura was established under the provisions of the Institute of Chartered Financial Analysts of India University, Tripura Act 2004 enacted by legislative Assembly of Tripura State and notified vide Notification No F.2 (529)-DHE/UDCA/2003 of the Government of Tripura dated June 15,2004. The University has been approved by the University Grants Commission, under Section 2(f) of the UGC Act, 1956. The University is a member of the Association of Commonwealth Universities, London, the Association of Indian Universities, New Delhi and the Federation of Universities, India.

The Campus:

The University Campus Tripura is located at Kamalghat, Mohanpur Tripura West. The campus is spread over an area of 32.2 acres. The facility has several buildings viz. administration, academic, state of the art laboratory and workshop, hostel with 600 occupancy for boys and girls students with a dining facility The hostel is also equipped with a medical centre, gymnasium, common room with TV & other recreational facilities like Soccer ground, volley ball & badminton courts for the students. The University has developed a well stocked library and computer centre with high speed internet connection for students.

Courses Offered and Eligibility Criteria

PG Programs		
MBA / MBA (Rural Mgmt.)	2 Years	Graduation in any discipline with 45% and above aggregate marks.
MCA	3 Years	Graduation in any discipline having Mathematics as one of the major subjects at 10+2 level or at Graduation.
MA (Education) / M.Lib.I.Sc.	2 Years	Graduation in any discipline.
LL.M	1 Year	Pass in LL.B / equivalent degree in Law recognized by Bar Council of India.
UG Programs		
B.Tech	4 Years	Students securing at least 50% aggregate in Class XII with pass in Mathematics.
B.Tech (Lateral Entry)	3 Years	Pass in 3-year diploma course in respective branch of engineering with at least 50%
BBA / BCA	3 Years	Pass in 10+2 in any discipline.
LL.B	3 Years	Pass in Graduation (any discipline) with 45% and above aggregate marks.
B.Ed / B.Ed Spl. Ed. (MR)	2 Years	Graduation in any discipline with 50% and above aggregate marks.
Integrated Programs		
BCA-MCA	5 Years	Pass in 10+2 in any discipline.
BBA-LL.B (Hons.)	5 Years	Pass in 10+2 (or equivalent) with 45% and above aggregate marks best of the 5 subjects including English.

OBJECTIVES

- To provide high quality, value-based, career oriented education for students.
- To facilitate students in understanding, developing, integrating and applying both core and specialized concepts and practices.
- To provide students with stimulating and learning-friendly atmosphere to utilize a higher level of their intellectual capacity, required to specialize in the respective areas of study.
- To produce energetic, effective, efficient and ethical professionals to meet the desired needs of the dynamic world and serve the society.

Placement Cell:

The University looks after the placement activities on a full-time and continuous basis. Staffed by senior professionals, placement executives and a team of diligent students, the committee initiates and maintains the University-Industry dialogue and manages the summer internship program and final placement. The placement team evaluates student performance and ensures relevant preparation for their industry/corporate placements. The team plays the vital intermediary role of matching academic excellence and industry expectations.

HIGHLIGHTS:

- Full time Classroom Instructions
- Wide Range of Electives
- Excellent Courseware & Curriculum
- Experienced and Competent Faculty
- Case Based Learning
- IT Lab & Soft Skills Lab
- Unique Summer Internship Programs
- Projects
- Computer Application Project
- Merit Scholarships

Alumni Speak

Rabijit Debnath

Reserve Bank of India

Just like any other engineering aspirant, It was my dream to study in a college that will not only give in depth knowledge but also provide a solid platform on which we can build our career. ICFAI with its apt course curriculum and dedicated faculty & fine infrastructure, works in the right direction. After Joining Reserve Bank of India (RBI), many a times I have come across the question that how an engineering graduate like me ended up working in a Bank.

To answer this particular question I always tell them that I believe that a person cant defy his destiny. May be it was my destiny to work in the pinnacle of Indian Banking System, i.e. RBI and having achieved this feat it will be injustice if I don t acknowledge the contribution of ICFAI University, Tripura in it. May be I will not find any use of my core engineering knowledge at my wok now, but ICFAI has also taught us something which will always be with us & help us in becoming a better human being.

B.Tech Program

B.Tech Program Structure for 2013-2017 Batch		
Year I	Semester I Mathematics I Physics I Chemistry I Physical Sciences Lab I Computer Programming I Engineering Graphics Thermodynamics	Semester II Mathematics II Physics II Environmental Sciences Physical Sciences Lab II Engineering Mechanics Workshop Practice Computer Programming II
	Summer Internship I	
Year II	Semester III Electrical Sciences I Mathematics III Technical Report Writing Structure & Properties of Materials Probability and Statistics Discipline courses (1)*	Semester IV Electrical Sciences II Principles of Economics Measurement Techniques Discipline Courses (3)*
	Internship Program I	
Year III	Semester V Mathematics Elective (Numerical Analysis or Operational Research) Discipline Courses (5)* Soft Skill	Semester VI Humanities & Social Sciences Elective Discipline Courses (5)*
	Internship Program II	
Year IV	Semester VII Discipline courses - (5) Electives	Semester VIII Discipline Courses (3) Electives (3) Grand Viva

Specialized Disciplinary Courses (Compulsory)

Civil Engg.

- Surveying I & II
- CE Drawing
- Fluid Mechanics
- Mechanics of Solids
- Analysis of Structures
- Design of Concrete Structures I & II
- Design of Steel structures I & II
- Geotechnical Engineering I & II
- Hydraulics & Hydraulic Machines
- Transportation Engineering I & II
- Concrete Technology
- Water supply & Waste water Engineering
- Construction, Planning & Management
- CE Estimation & Costing

Computer Science & Engg.

- Mobile Computing
- Cloud Computing
- Software Process & Project Management
- Programming Languages & Compiler Construction
- Digital Logic Design.
- Microprocessor Programming and Interfacing
- Object Oriented programming
- Discrete Structures for Computer Science
- Data Structures for Computer Sciences
- Programming with Java
- Operating Systems
- Database Management Systems
- Data Communication Systems
- Computer Networks
- Computer Graphics
- .NET and C# Programming
- Programming Languages and Compiler Construction
- Computer Organization and Architecture
- Software Engineering
- Web Technologies
- Theory of Computation

Electronics & Communication Engg.

- Digital Logic Design
- Electronic Devices and Circuits
- Signals & System
- Microprocessor Programming & Interfacing
- Electronic Circuit Analysis
- Digital Signal Processing
- Analog Communications
- EM Fields & Waves
- Control Systems
- Linear Integrated Circuits & Applications
- Digital Communications
- RF & Microwave Engineering
- Data Communication System
- Computer Organization and Architecture
- Satellite Communications
- Digital Hardware Design
- Microcontrollers and Applications

Mechanical Engg.

- Machine Drawing
- Applied Thermodynamics
- Fluid Mechanics
- Mechanics of Solids
- Control Systems
- Production Techniques
- Design of Machine Elements
- IC Engines
- Hydraulics & Hydraulic Machines
- Kinematics of Machinery
- Machine Tools & Metrology
- Heat & Mass Transfer
- Dynamics of Machinery & Vibrations
- Computer Aided Design
- Power Plant Engineering
- Automotive Engineering
- Production Planning and Control

Students Profiles - Electronics & Communication Engineering

ASMITA BHATTACHARJEE (I3ATEC024)

Project Title : Internship I in ONGC & Doordarshan, Agartala
Internship II in Pandit Electronics, Agartala
Duration : 2 months each
Skills : C, C++
Phone No. : 9615232168
E-mail ID : asmita.riya1994@gmail.com

BUNTY DEB (I3ATEC025)

Project Title : Internship I in VBM Technologies Noida
Internship II in NEEPCO Agartala
Duration : 2 months each
Skills : Multisim, MS-Office & Photoshop
Phone No. : 8732845185
E-mail ID : bunty.deb13atec025@gmail.com

GOURAB SAHA (I3ATEC026)

Project Title : Internship I in Pandit Electronics, Agartala
Internship II in Pandit Electronics, Agartala
Duration : 2 months each
Skills : C, C++, Python, PHP, JavaScript
Phone No. : 9774696698
E-mail : gourabsaha@outlook.in

KAUSTAV KONAR (I3ATEC027)

Project Title : Internship I in Techno-Con Services, Kolkata
Internship II in Computer Wizard, Burdwan
Duration : 2 months each
Skills : C, Java, Oracle
Phone No. : 8414988804
E-mail : kaustavkonar12@gmail.com

PRIYA DEBNATH (I3ATEC029)

Project Title : Internship I in BSNL & Doordarshan, Agartala
Internship II in NEEPCO, Agartala
Duration : 2 months each
Skills : C, C++, Multisim
Phone No. : 8731868123
E-mail : priyadebnath13atec029@gmail.com

SHUBHAM KUMAR (I3ATEC030)

Project Title : Internship I in VBM Technologies, Noida
Internship II in Pandit Electronics, Agartala
Duration : 2 months each
Skills : C, MS-Office
Phone No. : 8414945068
E-mail : shubhamkumar13atec030@gmail.com

SNEHA CHAKRABORTY (13ATEC031)

Project Title : Internship I in ONGC & Doordarshan, Agartala
 Internship II in TSECL, Agartala
 Duration : 2 months each
 Skills : C, C++, Assembly Language Programming
 Phone No. : 9485190677, 8794668566
 E-mail : snehachakraborty13atec031@gmail.com

**TANMOY SINGHA (14ATEC323)**

Project Title : Internship I in BSNL & Doordarshan, Agartala
 Duration : 2 months
 Skills : C, MS-Office
 Phone No. : 8014018732
 E-mail : tanmoys669@gmail.com

**SAMARPITA ROY BARMAN (14ATEC332)**

Project Title : Internship I in BSNL & Doordarshan, Agartala
 Internship II in Pandit Electronics, Agartala
 Duration : 2 months each
 Skills : C, C++, MS-Office
 Phone No. : 9774725861
 E-mail : smarparitroybarman14atec332@gmail.com

**BEESHALEE SINHA (14ATEC324)**

Project Title : Internship I in BSNL & Doordarshan, Agartala
 Internship II in NEEPCO, Agartala
 Duration : 2 months each
 Skills : MS-Office, MATLAB, MultiSim
 Phone No. : 8974832713
 E-mail : beeshalee14atec324@gmail.com

Recruiter Speak

The University has excellent facilities to attract the very best students, teachers & researchers. Topcem had the opportunity to interact with the students of ICFAI University, Tripura by way of Campus recruitments and Internships. The students are well behaved, diligent and hard working. The teachers and staff members are very supportive. The students of Civil Engineering branch are very knowledgeable. Topcem takes the opportunity to applaud their dedicated efforts and commitment towards their work. We believe that the students passing out from ICFAI University, Tripura would be a great value addition to the society.

Sunita Baruah
 (HR Head), Topcem

Students Profiles - Computer Science & Engineering

LIVINGSTONE ZWEENAMAI (13ATCS034)

Project Title : Internship I in VBM Technologies, Noida
Internship II in North East Space Application Centre (NESAC)
Duration : 2 months each
Skills : UNIX, C, C++, PHP, Java, .NET, SQL.
Phone No. : 08974365540
E-mail : livingstone13atcs034@gmail.com

BASANDOR. H. E. RYNJAH (13ATCS017)

Project Title : Internship I in VBM Technologies, Noida
Internship II in North Eastern Space Application Centre (NESAC)
Duration : 2 months each
Skills : C, C++, Java, SQL and R
Phone No. : 09612033469
E-mail : basandor13atcs017@gmail.com

MUSAID AHMED (13ATCS021)

Project Title : Internship I in VBM Technologies, Noida
Internship II in North Eastern Space Application Centre (NESAC)
Duration : 2 months each
Skills : UNIX, C, C++, JAVA, ASP.NET, AutoCAD, Photoshop CS6.
Phone No. : 08414038298
E-mail : musaid13ATCS021@gmail.com

SHUBHAM PANDEY (13ATCS023)

Project Title : Internship I in VBM Technologies, Noida.
Internship II in Directorate of Information Technology (DIT), Agartala
Duration : 2 months each
Skills : Unix, C, C++, Photoshop CS6, MS Office, JAVA, ASP.NET, AutoCAD
Phone No. : 08414938822
E-mail : pandey.shubham769@gmail.com

L. GEORGE SINGH (13ATCS020)

Project Title : Internship I in North Eastern Space Application Centre (NESAC)
Internship II in North Eastern Space Application Centre (NESAC)
Duration : 2 months each
Phone No. : 08731831124
E-mail : george13atcs020@gmail.com

PARTHIB DUTTA (13ATCS022)

Project Title : Internship I in Erycoders, Guwahati
Internship II in Jorhat Engineering College, Assam
Duration : 2 months each
Skills : Kotlin, C++, Network Programming, Asynchronous Programming
Phone No. : 08414988803
E-mail : duttaparthib@yahoo.in

**POUSHALI GHOSH (14ATCS316)**

Project Title : 1. Network Engineering
2. Online E- Services
Duration : 2 months each
Skills : C, C++ , Java, ASP.Net
Phone No. : 0814858181
E-mail : poushali14atcs316@gmail.com

Students Profiles - Civil Engineering**SWARUP ROY (14ATCE307)**

Project Title : 1. Construction of District Jail, Dharmannagar
2. Construction of Flyover Bridge, PWD Agartala, Div.-I
Duration : 2 months each
Skills : MS Office, SAP-2000
Mobile No. : 09863691247
Email ID : swarup14ATCE307@gmail.com

**ARGHA KAR CHOUDHURY (13ATCE001)**

Project Title : 1. Construction & General work of National Highways.
2. Estimate and costing of a R.C.C building (THCB)
Duration : 2 months each
Skills : MS Office, SAP-2000, AutoCAD
Mobile No. : 08414884524, 09856637338
Email ID : arghakarchoudhury.13atce001@gmail.com

AYASI DEB (13ATCE002)

Project Title : 1. Construction of Kalikapur Sub Jail at Dharmanagar.
2. Construction of Central Library at Jirania.
Duration : 2 months each
Skills : MS Office, Bengali SW, Photo Deluxe Programming with "C"
Mobile No. : 08131045707, 09862050030
Email ID : ayasi13atce002@gmail.com

**GURUMAYUM PETER SHARMA (13ATCE004)**

Project Title : 1. A prototype of irrigation in highland areas.
2. Seismic Analysis of Brick Masonry and RC Buildings
Duration : 2 months each

Students Profiles - Mechanical Engineering

AKASH SAHA (14ATME319)

Project Title : 1. Fundamental study of two wheelers in Niladri motors
2. Manufacturing of cement in TOPCEM

Duration : Two months each

Skills : AutoCAD

Mobile No. : 08131046453

Email ID : 14atme319.akashsaha@gmail.com

ASHISH GHOSH (13ATME033)

Project Title : 1. Fundamental study of two wheelers in Niladri motors
2. Manufacturing of cement in TOPCEM

Duration : Two months each

Skills : AutoCAD, Solidworks, C Programming

Mobile No. : 08720951832

Email ID : ashish13atme033@gmail.com

Alumni Speak

Subhajt Debnath

Business Analyst Bridgei2i Analytics Solutions.

Hello ICFAI University Tripura, Hope everyone is doing fine. I am Subhajt Debnath, MCA 2014 pass out. I completed BTech in Agricultural Engineering at NERIST, Arunachal Pradesh. I always had an interest towards computer programming. Then I decided no matter where I study I will get the best out of it as it is my favourite branch. I had all the programming and core CS subjects in course and I joined ICFAI University Tripura. Days passed by and slowly and steadily, I started developing small softwares on my own started selling those. The internships proved to be the turning point and helped me grabbing a big hold on the subjects required for software development. I am happy of what I have achieved today because I went against everyone to prove myself. Now I am working as a Business Analyst in Bridgei2i Analytics Solutions company. Now I am into three different projects in the company.
