Dear Mr. Takam Nabom,

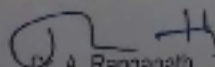

Based on your confessional statement and reports received from the hostel authorities, it is fact that you had violated rules and regulations of this University by repeatedly punching a service personal in the canteen on April 3, 2016. Consequent to your furious attack, the service personal sustained serious injuries on his face.

The act committed by you is a serious misconduct on the part of a student. By doing so, you had also caused unwanted trouble for the security guards and the hostel authorities.

The University has viewed your misconduct very seriously. As per the recommendation of Disciplinary Committee, you are hereby warned to be very careful till completion of your programme. Any such repetition or your involvement in any other indisciplina activities will summarily lead to expulsion for one semester.

As such, you are advised to mend your attitude, be disciplined and concentrate on your studies.

With best wishes,

Dr. A. Ranganath

Subject: Warning letter for misconduct—reg.

Dear Student,

The University wishes to put on record that you have questioned your reliability itself during the first semester of 3-Year BBA programme. It is prima facie established that your attitude is absolutely unbecoming and suspicious.

Precisely, a black colour VIVO (Y31L) Cell phone was stolen from the room occupied by Sagardip Malakar. It was later on recovered from the cupboard of your hostel room. This recovery indicates that you are involved in some of the recent incidents happened in the Boy's hostel. Moreover, there are certain complaints that compel senior students to suspect you.

The University views your unbecoming and suspicious conduct very seriously but wishes to give you a last chance before taking any disciplinary step. You are therefore advised to mend your attitude and prove yourself a becoming and reliable student by the end of current semester.

You are also advised to shift to annex Boys' hostel immediately and not to visit main Boys' hostel till you are intimated in writing.
