About Pro Bono Legal Services:

Pro Bono Legal services programme was launched in April 2017. An initiative of the Department of Justice, the programme is aimed at fulfilling the Department's critical mandate of enhancing "access to justice" for marginalised sections of the society and the State's constitutional obligation of providing "free legal aid" for all. The programme seeks to put in place an institutional structure which will promote pro bono culture in India. On one hand, the programme would facilitate delivery of quality legal assistance to the marginalised communities, on the other hand it would ensure that lawyers who volunteer their valuable time and service, towards this public service, are duly recognized for their contribution.

About ICFAI University Tripura:

The ICFAI University, Tripura (referred to hereafter as the University) was established in 2004 through an Act of State Legislature (Tripura Act 8 of 2004). The University has been approved by the University Grants Commission, under Section 2(f) of the UGC Act, 1956.

The ICFAI University, Tripura is included in the list of universities maintained by the University Grants Commission (UGC) under Section 2(f) of the UGC Act, 1956, vide their letter No. F.9-7/2006 (CPP-I) dated October 30, 2006. The University offers Bachelor, Master, and Doctoral programs in management, finance, science and technology, information technology, education, law and other areas.

About Legal Aid Clinic, ICFAI University:

The legal clinic at ICFAI University is a legal team service provider that gives students hands-on experience, under the supervision of professors, in providing legal aid and support to underrepresented individuals or organizations on actual cases in a particular topical area. The legal services are free of charge. Student volunteers who provide legal aid help impoverished and disadvantaged people access justice and legal resources by giving them legal representation and advice. Free legal support ensures that financial constraints do not prevent vulnerable groups in society from accessing justice.

Sub: Invitation for collaboration and student participation in a Theatrical Workshop on 04.04.24

Respected Sir/ Madam,

To commemorate the 'World Theatre Day' on 27th March, the Faculty of Liberal Arts, ICFAI University Tripura have decided to conduct a **Theatrical Workshop** on the **4th of April 2024** from **11am to 4.30pm** at the **ICFAI University Auditorium**.

Sri Sanjay Kar, a well-known theatre activist from Agartala Tripura has agreed to be the resource person for the Workshop. Sri Sanjay Kar has founded the theatre group- 'Natyabhumi' at Agartala in 1993 and directed about 25 group productions. He received numerous awards like 'People's Choice Award' from NE TV, 'Best Playwright Award' in the National Science Drama Competition, 'Tripura Gourav Samman' and many others.

We propose to conduct this event in collaboration with your prestigious college so that students from both the institutions can jointly participate and gain benefit from the workshop. Furthermore, the event may be considered a MOU activity in between the two institutions.

In this regard, request you to nominate 20 students from your college, who are culturally inclined and wish to participate in the workshop. For all correspondences, please contact the following latest by 2nd April 2024.

**AN ANNUAL REPORT ON THE THEATER WORKSHOP
ON THE OCCASION OF THE WORLD THEATRE DAY
ORGANIZED BY**

Swami Vivekananda College, Mohanpur, Tripura and The ICFAI University Tripura

Name of Event: Post celebration of World Theatre Day.

Date- 04/04/ 2024

VENUE: ICFAI University Tripura, Auditorium.

INTRODUCTION

The World Theatre Day started as a movement, but later on it was celebrated to give a fresh direction and meaning to life as theater has a pertinent role to play in one's life with its healthy effect on a person and society, since most of the themes have a strong bonding with the real life events. Theater allows us to immerse ourselves in a story as it happens live, right in front of our eyes, with real people going through it. It gives us the chance to put ourselves in those characters' shoes and most feel what they feel. It improves voice projection, articulation, fluency of language, and persuasive speech. The primary aim of this workshop is to offer students a holistic theater education, covering acting techniques, stagecraft, and collaborative creativity. The workshop is designed to encourage active participation, skill development, and the practical application of learned concepts into a culminating Theatre Production. To celebrate the "World Theatre Day" which is held on 27th March, Faculty of Liberal Arts, conducted a post celebration as a theatrical workshop on the 4th of April 2024. The students of ICFAI University, Tripura, and Swami Vivekananda College, Mohanpur jointly participated in that program. The program comes under MOU activity in both of these institutions. Sri. Sanjoy Kar, well known theater activist from Agartala, Tripura was the resource person for the workshop.

OBJECTIVE OF THE PROGRAM

Participation in this event will provide the students with a rare exposure and give them an opportunity to meet different students from different colleges.

Through this program students can understand about the different aspects of theater and drama.

This theater workshop will make holistic development of the personality of the students while enriching their knowledge in different techniques of Drama and theater.

— These workshops help students to recognize the layers of meaning that exist in texts and contexts, to develop their knowledge of Dance conventions and their sense of audience.

NO OF PARTICIPANTS

Students from ICFAI University and Swami Vivekananda College both participated in that event. The total participation is 42 in number.

OUTCOME OF THE PROGRAM

- It imparted students with various life skills like teamwork, compassion, cooperation and collaboration.
- Children also learned to accept constructive criticism and feedback in a way that helps them become better individuals.
- The use of indigenous art forms also accelerated personality development in students.
- Through this program students explored different types and techniques of drama.
- From this program students have acquired a consolidated idea about the fresh direction and meaning of life.

INTRODUCTION

A Two day national seminar on **Role of Manikya Dynasty in building Modern Tripura** was organized by Swami Vivekananda Mahavidyalaya, Mohanpur, Tripura and The ICFai University Tripura in collaboration with the Indian council of Historical Research (ICHR) New Delhi and in academic cooperation with *Bharatiya Itihas Sankalan Samiti*, Tripura, on 12 -13 January, 2024. It was conducted as a MOU activity where both of the colleges jointly organized the program.

Manikya Dynasty is the root of developed Tripura. The modern age of Tripura started with the reign of Maharaja Bir Chandra Manikya. He was a great enthusiast of art, culture and literature. During his reign, the modernization of Tripura happened in terms of education, law and administration, land and other social reforms. The different states of North East zone of India is connected to each other through bonds of some common cultural heritage and demographic identity. A cultural team from the Faculty of Liberal Arts, IUT, therefore, took active initiative to participate in a cultural program as a part of this seminar to showcase the diverse cultures of the seven sister states of North-East India.

OBJECTIVE OF THE PROGRAM

Participation in this event will provide the students with a rare exposure and give them an opportunity to meet different students from different colleges.
Through this program students can showcase their unique talents in front of an esteemed audience.

It will result in a holistic development of the personality of the students while enriching their knowledge of their own history and culture.

These Programs help students to recognize the layers of meaning that exist in texts and contexts, to develop their knowledge of Dance conventions and their sense of audience.

NO OF PARTICIPANTS

Students from FLA, and the FOSE department had participated in that event. The total participation is 10 in number.

OUTCOME OF THE PROGRAM

It imparted students with various life skills like teamwork, compassion, cooperation and collaboration.

Children also learned accept taking constructive criticism and feedback in a way that helps them become better individuals.

The use of indigenous art forms also accelerated personality development in students.

Through this program students explored different cultures of North East India.

From this program students have acquired a consolidated idea about the Manikya Dynasty and their contribution to modern Tripura.

About The Institute

ICFAI University, Tripura (referred to hereafter as the University) was established in 2004 through an Act of State Legislature (Tripura Act 8 of 2004). The University has been approved by the University Grants Commission, under Section 2(l) of the UGC Act, 1956. ICFAI University, Tripura is a member of The Association of Commonwealth Universities (ACU), London, UK, Association of Indian Universities (AIU), New Delhi, India, The Institution of Engineers (India) and Association of Management Development Institutions in South Asia (AMDISA), Hyderabad. The University has accreditations of the following regulatory authorities: Bar Council of India (BCI), National Council for Teachers Education (NCTE), Distance Education Bureau (DEB) and NAAC. The University offers Bachelor, Master and Doctoral programs in management, finance, science and technology, information technology, education, law and other areas.

Faculty of Science and Technology

The faculty of Science and Technology (FST) is a constituent of ICFAI University, Tripura. It has been established to promote quality education, research, training and consultation in the field of science and technology with a global perspective to meet the challenges of the fast-changing trends in the field and to match international standards.

Electrical Engineering

Electrical engineering is an engineering discipline concerned with the study, design, and application of equipment, devices, and systems which use electricity, electronics, and electromagnetism. It deals with a number aspects including electrical power generation, distribution, control and use and is also the foundation of fields like SOC etc.

Electrical engineering is now divided into a wide range of different fields, including power engineering, signal processing, control engineering, power electronics etc. Many of these disciplines overlap with other engineering branches, spanning a huge number of specializations including hardware engineering, electronics, electromagnetics and waves, microwave engineering, nanotechnology, electrochemistry, renewable energies, control, and electrical materials science.

About the Department

The Department of Electrical Engineering has been playing a vital role in producing scientists and technologists of highest calibre. The department runs one under graduate programme to cater to the ever challenging needs of technical excellence in all areas of electrical engineering such Electrical Machines, Instrumentation, Control & Automation, Power systems & Power electronics. The Department takes part in a range of activities. The Department undertakes consultancy and other forms of collaboration with various organizations. The Department organizes workshops, seminars and visits in various specialized fields with participants.

Themes of the Workshop

The participants of the workshop will get an idea regarding Internet of Things and its application. The main objective of the workshop is to enrich students knowledge about the state of art technologies on IoT and Embedded systems. The expert person will conduct some hands on training session for the benefit of the students

Sub: Virtual Labs Nodal Center

With reference to your Expression of Interest (EOI) submitted on 05th January, 2024 for Virtual Labs, it gives me immense pleasure to designate your Institute as a Nodal Center for Virtual Labs. As nominated by you, **Prof. Tapan Kumar Mohanta** has been accepted to act as the Institute Nodal Coordinator (INC) from your Institute. This approval letter is valid up to 31st December, 2024. Subject to the following Terms and Conditions and any subsequent directives as issued by MoE from time to time:

1. Approved status of AICTE/STEB/UGC is mandatory for your Institute.
2. The Institute should have a valid AISHE and AICTE Code or UGC Approval Number.
3. The necessary infrastructure (space having personal computers with 1 Mbps broadband internet connectivity) is to be maintained at your own cost for Virtual Labs.
4. Students should not be charged any extra fee for providing a Virtual Labs facility for their usage.
5. Nodal centers will get operational and technical support.
6. Nodal centers should submit the Monthly Virtual Labs Usage Report.
7. Strict adherence to the standard lab procedures and cyber security laws must be followed.
8. Any violation of the above will automatically cancel your institute's Nodal Centre status without giving any notice.

Kindly acknowledge the receipt of this letter and the acceptance of the Terms & Conditions mentioned above. We thank you again for your interest in the Virtual Labs project and appreciate your endeavor in the service of the student community.

Wish you all the best!

Thank You.

Sincerely,

13/02/2024

- 5.3 **ICFAI University Tripura** or its Students will pay a nominal fee to CIPET: CSTS, Agartala for summer Training/ Testing / Other activities at a special discounted price.

6.0 NON-DISCLOSURE OF CONFIDENTIAL INFORMATION

6.1 During the course of the discussions, each party may disclose to other confidential information. Confidential Information shall mean all information designated "Confidential" or under any similar legend indicating the confidentiality of the information as disclosed by one party ("Disclosing Party") to the other party, ("Receiving Party") or any of its employees

or agents of the receiving party, except such information as is previously known to the receiving party without an obligation of confidentiality or is publicly disclosed by the disclosing party either prior to or subsequent to the receiving party's receipt of such information from the disclosing party.

6.2 The receiving party shall hold such confidential information in trust and confidence for the Disclosing Party and shall not use it except in furtherance of the relationship outlined in this MOU, nor publish, disclose or disseminate it, except as may be authorized by the disclosing Party in writing. The receiving party shall further be responsible for the compliance of the party or any of its employees or agents to execute separate non-disclosure or confidentiality agreements.

7.0 TERMINATION
This MOU may be terminated, upon six months' written notice by one party to the other party, without liability or obligation. However, this will not include projects quoted together or under implementation, till such time the total payment has been received from these projects and shared according to the agreed basis.

8.0 GENERAL

8.1 This MOU or any right, duty, or obligation is undertaken is not assignable or transferable by either party without the prior written consent of the other party. Any attempt to assign any of the rights, duties, or obligations of this MOU without such consent is void.

8.2 This MOU may be modified only by written mutual consent of both the parties and reduced in writing and duly signed by persons authorized on behalf of ICFAI University Tripura and CIPET: CSTS, Agartala.

8.3 If any provision or provisions of this MOU shall be held to be invalid, illegal or unenforceable, neither party is required to perform said provision to the extent that said provision is invalid, illegal, or unenforceable. However, such provision shall be enforced to the fullest extent permitted by applicable law and the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

8.4 Notices required or permitted hereunder shall be in writing and deemed given and received when personally delivered or properly posted by registered or certified mail, postage prepaid, in an envelope properly addressed to the addresses stated above or to such other address as one Party may specify upon written notice to the other Party and shall be deemed to be served (1) if it is personally delivered, on the date of delivery or (2) if it is sent by prepaid mail, five (5) days after posting thereof. (3) if sent by courier.

8.5 This MOU has been executed in the English language only, and the English language shall be controlled in all respects. No translation of this MOU into any other language

shall be of any force and effect in the interpretation of this MOU or a determination of the intent of either Party.

8.6.1 Each party shall retain their Intellectual Property Rights and shall defend, indemnify and save harmless the other party in respect of any third party claims for alleged breach of this and third party's intellectual property right.

8.6.2 Any IPR resulting under a Joint R&D project shall be shared equally on a 50:50 basis.

8.7 Notwithstanding anything in this agreement to the contrary, neither party shall be liable to the other party for any failure to perform or delay in the performance of, that party's obligations hereunder, when such failure to perform or delay in performance is caused by an event of force majeure; provided, however, that the party whose performance is prevented or delayed by such event of force majeure shall give 30 days' notice thereof to the other party. For purposes of this clause, the term "force majeure" shall include war, rebellion, civil disturbance, earthquake, fire, flood, strike, lockout, labor unrest, acts of governmental authorities whether by regulation, administrative action, or otherwise, shortage of materials, acts of God, acts of the public enemy, acts of terrorism and, in general, any other causes or conditions beyond the reasonable control of the parties.

8.8 Any dispute or difference whatsoever arising between parties out of or relating to the construction, meaning or operation or effect of this agreement shall, unless resolved amicably, be settled by arbitration of three arbitrators one to be appointed by each party and the third to be appointed by the two arbitrators so appointed. All proceedings under such Arbitration shall be held only in Mohkampur, Agartala and would be in accordance with the provisions of the arbitration and conciliation act, 1996 and any statutory modifications or re-enactments thereof. It is understood that the court having jurisdiction over Mohkampur, Agartala alone shall be competent to entertain any application or petition pertaining to the arbitration agreement and/or arbitral proceedings under this clause. The agreement will be governed by Indian laws.

8.9 If any provision of this agreement is found by any court of competent jurisdiction to be invalid or unenforceable, the invalidity of such provision shall not affect the other provisions of this agreement, and all provisions not affected by such invalidity shall remain in full force and effect.

INTERNSHIP ACTIVITY REPORT

In accordance with the memorandum of understanding (MoU) between the Directorate of Health Services Govt. of Tripura, and The ICFAI University Tripura, students from The ICFAI University Tripura successfully completed an extensive internship training program at the Directorate of Health Services Govt. of Tripura. This collaboration aimed to provide practical training and exposure to the hospital, enhancing the students' professional development and preparing them for future careers in healthcare.

During the internship period, which spanned twelve months, students actively participated and performed many experiments in various departments under the guidance of experienced healthcare professionals at the Directorate of Health Services Govt. of Tripura. They gained hands-on experience in patient care, medical procedures, administrative tasks, and the overall operations of a healthcare facility.

The internship provided invaluable opportunities for students to apply theoretical knowledge gained through their academic coursework in a real-world setting. They were able to observe and contribute to patient care activities, learn about medical ethics and professionalism, and develop essential skills such as communication, teamwork, and critical thinking.

Feedback from both the students and the staff at the Directorate of Health Services Govt. of Tripura has been positive, highlighting the mutual benefits of such collaborative initiatives. The students expressed gratitude for the opportunity to learn from experienced practitioners and gain practical insights that will guide their future careers.

Overall, the internship at the Directorate of Health Services Govt. of Tripura through the MoU with The ICFAI University Tripura has been a fulfilling and enriching experience for the students, reinforcing the importance of practical training in complementing academic education. This initiative underscores both institutions' commitment to fostering future healthcare professionals' ultimate development.
