About Pro Bono Legal Services:

Pro Bono Legal services programme was launched in April 2017. An initiative of the Department of Justice, the programme is aimed at fulfilling the Department's critical mandate of enhancing "access to justice" for marginalised sections of the society and the State's constitutional obligation of providing "free legal aid" for all. The programme seeks to put in place an institutional structure which will promote pro bono culture in India. On one hand, the programme would facilitate delivery of quality legal assistance to the marginalised communities, on the other hand it would ensure that lawyers who volunteer their valuable time and service, towards this public service, are duly recognized for their contribution.

INTRODUCTION

The day of 15th August 1947 has been embossed in the golden history of India. It is the day when India got its freedom from 200 years of British rule. It was a hard and long struggle in which many freedom fighters and great men sacrificed their lives for our beloved motherland. India celebrates its Independence Day on the 15th of August every year. However, this year, the auspicious day is being celebrated as '77 Azadi Ka Amrit Mahotsav 2023'. Independence Day, called the Red-Letter Day in the history of our country, is celebrated as a national holiday throughout India. Independence day is a positive historical event for the country since we were free from British rule on this day. It unites diverse individuals all over the country. Unity in diversity is the fundamental path and strength of India. We feel pleased to be a part of the biggest majority-rule country on the planet, where we live in a democracy. Independence Day is an important day in the life of every Indian citizen. Year after year, it reminds us of our great freedom fighters who sacrificed and struggled their lives in order to free our Motherland from British rule. It reminds us of the great paragons, which were the foundation of the dream of a free India, envisioned and realised by the founding fathers.

Keeping this in mind, the students from ICFAI University Tripura had achieved the golden opportunity to pay their tribute by showing the artistic skills in Mohanpur Higher Secondary School. In front of a large audience and other reputed dignitaries, our students were able to participate in several cultural and artistic events and also various competitions securing for them prestigious awards and positions.
