

Celebrating Raksha Bandhan with Inclusion, Joy & Togetherness on 28.08.2026.

Raksha Bandhan became a truly special celebration at ICFAI University Tripura as our special children participated with great enthusiasm and joy.

With the support and encouragement of everyone involved, our children lovingly prepared Rakhis according to their own abilities and proudly tied them during the celebration. Their happiness and sense of accomplishment made the occasion even more meaningful.

Together, let us continue to build a more inclusive society where every ability is celebrated and every individual belongs.
