**Report of the Event:**

On 21<sup>st</sup> Day of January, 2025 the IPR Cell, Faculty of Law, ICFAI UNIVERSITY TRIPURA has organized **One day IPR- Outreach Training Program in collaboration with DPIIT-IPR-Chair National Law University & Judicial Academy Assam** .The guests of honor were **Dr. Pankaj Kumar, DPIIT, IPR Chair Professor , NLUJA , Assam , Dr. Jayanta Ghosh, Assistant Professor, WBNUJS, Kolkata, Shri. D.S. Rajganesh, Legal Advisor, PPVFRA, New Delhi**, who were accompanied with special dignitaries from the Institution itself, Prof (DR.) Biplab Halder, Vice Chancellor, The ICFAI University Tripura and Dr. A Ranganath, Registrar, The ICFAI University Tripura. Also, the key members included the IPR cell of the Faculty of Law, The ICFAI University Tripura headed by Dr. Debabrata Roy, Associate Professor & Coordinator, Faculty of Law, and Dr. Raghunath Chakraborty, Assistant Professor, Faculty of Law.

The event began with the welcome address of the Vice chancellor of the institute Prof. (Dr.) Biplab Halder followed by the speech of the head of the IPR cell, Dr. Debabrata Roy, coordinator to the faculty of law.

The Program saw the enthusiasm within Law Students not only from ICFAI university itself but also got extended to the students from Tripura Govt. Law College and Tripura University whose presence made the event a grand success. Alumni from the institute working as legal advisors in different companies like Longtarai Spices, Bailey etc. also made themselves a part of the same.

Dr. Pankaj Kumar disseminated an obtrusive thought about the concepts of IPR as well as its significance in present day world. He focused on various utilities of different types of IPR but in a broader sense limited his lecture within the periphery of Patent and every tinge of the same. He in a detailed manner explained every aspect of the patent rights, the type of applications that are required to be filled in and also mentioned what not to include as well as the related merits and demerits.

The dias was then taken by Shri D.S. Rajganesh who provided the listeners with immense knowledge on plant varieties and he stretched on how even a very distinctive feature can be made to register as an IP. He also explained about the rights related in this segment to farmers, breeders, etc.

Next the words of insight were delivered by Dr. Jayanta Ghosh who talked vividly on GI tagged products like the world renowned Darjeeling Tea, the Natungram Wooden Doll, our state's very own Queen Pineapple, West Bengal's Roshogolla, etc.

He talked on how greatly this tags has contributed to the economic well being of the inventor as well as the location. In surplus he drew the attention of the students as to how and in what amount students should utilize the concepts of different IPR's so that a huge amount of economic growth can be ensured. He also added that if a product is rejected then on what grounds this is done for example the shelf life of the product if that's a food item, etc.

The event was concluded with a valedictory by the Registrar to the University and the vote of thanks was given by Dr. Raghunath Chakraborty. The one day outreach training program thus organized by the IPR cell of the institute was a grand success and the institute is looking forward to arrange more such engrossing events in the near future.
