About MICA 2025

MICA annual conference series has evolved into a significant multidisciplinary platform that brings together academics, scientists, industry researchers, scholars, and students in the fields of advanced Communications and Machine Intelligence. The conference serves as a platform for professionals, researchers, and industry experts to exchange knowledge, share cutting-edge research findings, and foster collaboration. The conference will promote industry engagement, disseminate research outcomes to wider audiences, and contribute to professional development through tutorials and keynote presentations. By bringing together diverse stakeholders, MICA 2025 will play a pivotal role in building communities, driving innovation, and advancing the collective understanding of machine intelligence and advanced communication technologies.

TOPICS

In exploring the interdisciplinary realm of Artificial Intelligence, Machine Learning, Advanced Communication, we welcome papers on topics including but not limited to:

- Computational Intelligence
- Big Data Analytics
- Information Management
- Social & Smart Networks
- Information Retrieval
- Cognition and AI
- Knowledge Representation
- Data Mining & Warehousing
- Natural Language Processing
- Recommendation Systems
- Machine Learning
- Deep Learning
- Algorithms and Optimization
- Applications of AI
- Computational Neuroscience
- Data Science
- Image & Pattern Recognition

- Wireless Communication Systems
- Internet of Things (IoT) Communication
- Satellite Communication Systems
- Optical Communication Networks
- Cloud Computing
- Mobile and Wireless Networks
- Cognitive Radio Networks
- Network Security and Privacy
- Cryptography
- Blockchain in Communication Systems
- Network Protocols and Architectures
- Multimedia Communication Systems
- Social and Cognitive Networks
- Machine Learning for Communications
- Edge Computing and Communication
- Internet Protocols and Standards
- Secure and Reliable Communication Systems

IMPORTANT DATES

Submission deadline
15th September 2025

**Acceptance notification**
2nd October 2025

Author Registration
5th October 2025

Deadline for final papers
15th October 2025

- Anirban Sarkar, NIT Durgapur
- Ashish Ghosh, IIIT Bhubaneswar
- Anjeneya Swami Kare, University of Hyderabad
- Anuj Malik, Infinera Corporation, USA
- Ayan Mandal, IIT Indore
- B M Mehtre, IDBRT
- Bhabatosh Chanda, ISI Kolkata
- Bibudhendu Pati, Rama Devi Women's University
- Chhabi Rani Panigrahi, Rama Devi Women's University
- Challa Sastry, IIT Hyderabad
- Chunhua Su, University of Aizu, Fukushima, Japan
- Deepak Biradar, GITAM University, Hyderabad, India
- Ferhat Dikbiyik, Sakarya University, Turkey
- Francisco Martinez, University of Zaragoza, Spain
- G Vijaya Kumari, JNTU
- Girijesh Prasad, Ulster University
- Joylal Sarkar, ICFAI University Tripura
- K.S. Sudeep, GITAM University
- Kadambari K.V., NIT Warangal
- Kagita Venkateshwara Rao, NIT Warangal
- Krishna Sandeep Reddy Dubba, A2O AI
- Monalisa Sarma, IIT Kharagpur
- Muzzammil Hussain, Central University of Rajasthan
- N Rukma Rekha, University of Hyderabad
