Report on 3 days Parent's Training programme at Educational Lab

Faculty of Special Education and Rehabilitation, The ICFAI University, Tripura, has organized three different programmes under **Centre for Disability - Research and Resource Centre** on the following days-

4th March 19 (11am-1pm)- *Parent's Training program,*

6th March 19(11am-1pm)- *Open Discussion among Faculty and Parent*

8th March 19(11am-2:30pm)- *Individual Counselin to Parents.*

3 day program, started with introduction of activities of Parent Training programme by Prof. Silali Banerjee Chakraborty Asst. Professor & Incharge of Educational Lab. All the Faculties of Special Education and M. Phil Clinical Psychology were also involved in the different sessions.

1st day programme was started by Asst. Prof. Dr. N. Khoibi Singh and Asst. Prof Debjani Kar focusing on the importance of IQ Certification and stress management techniques for parents.

2nd day programme started with open discussion with parents regarding their child management, about Disability card day to day problems faced with their children. Asst. Prof. Mr. Debashis Mahato , Asst. Prof. Jagdish Mandal and Asst. Prof. Silali Banerjee Chakraborty tried to clear their doubts. Dr. Madhavi Sharma, Principal Faculty of Special Education listened to their requests and asked them to cooperate from time to time for the development of their children.

3rd day was on Individual Parent Counseling programme, regarding services at Educational Lab. Asst. Prof. Debashis Mahato and Asst. Prof. Silali Banerjee Chakraborty met the parent individually and discussed about all round development for their special child.

30 parents attended this programme, and shared their views. Parents gave excellent feedback, for the services provided by Faculties and Teacher trainees. Parents of Children with Special need were greatly benefited by this programme. They showed their interest to willingly participate in this programme and also requested for this kind of programme for upcoming days.

Teacher Trainees of D.Ed. Special IV Sem Special Education participated in the programme,

The 3 days training programme took place under the guidance of Dr.Madhavi Sharma, Principal Faculty of Special Education & Rehabilitation ICFAI University, Tripura.
