

THE ICFAI UNIVERSITY, TRIPURA

A Day of Integration at Faculty of Special Education

The Faculty of Special Education of ICFAI University, Tripura is established to promote quality education, research, training and consultation in teaching with a global perspective to meet the challenges of the fast changing trends in the field of Special education. With this objective today a new step ahead of integration of visitors from Government of Tripura I.V.H (Boys /Girls) Narsingarh ,School West Tripura ,60 - Visual Impaired children ,10 -Educational Lab Intellectual Disabled Children , 58 -Teachers Trainees of FoSE & 15 teacher staff from Blind School. Mega integration between disabled and abled students.

Dr. Madhavi Sharma welcomed all of them with pleasure, Dr. Priyangshu Borthakur gave speech on the activities run by ICFAI University, Tripura later on continued by Mr. Nilanjan Gupta motivating children's future possibilities at ICFAI University. Later on children of Educational Lab sing song for them followed by 5 Blind School children sing 8 songs in Bengali and Hindi with musical instruments played by them self. Integrated musical gala enjoyed by children, students and faculties of ICFAI.

Ms. Silali Banerjee Asst. Professor with the help of student teacher trainees B.ED & D.ED escorted 60 children with visual impairment visited to the possible accessible areas of ICFAI Camps. Children with visual impairment enjoyed a lot as our teacher trainees gave verbal commentary of each place.

I am grateful to all faculty members of FoSE and other Non Teaching staff of ICFAI for helping hands for success of this event.
