

Faculty of Special Education & Rehabilitation

Children's Day Celebration (14/11/2018)

On 14th November 2018, Faculty of Special Education & Rehabilitation celebrated Children's Day in Educational Lab, ICFAI University. Sixteen Special Children, 1st and 3rd semester Students of B.Ed.Spl.Edu.MR, D.Ed.Spl.MR actively participated in this program. Program was honoured and started with floral welcome of children by Dr. A Ranganath, Registrar, ICFAI University, Tripura, Dr. Madhavi Sharma, Principal FoSE&R and all the Faculties of FoE ,FoSE&R.

All the children participated in singing, dancing and enjoyed very much. Parents of all children gave blessings for organising programme for their children. It was a colourful program ended with grand success.

Dr. A Ranganath ,Registrar, ICFAI University, Tripura, welcomed the special children with flower bouquet prepared by the trainees. Children reacted with their warm smile and replied by joining their palms as token of respect.

Children with Special Needs introduced themselves boldly with full enthusiasm reflecting on their faces. Few of them tried to speak few words on the occasion. None want to be left behind. Parents expressed their happiness to see the change in their children.

special children came forward to show their talent. Few sang individually and rest joined them. One of the child played mesmerizing tunes on guitar.
