

Celebration of International Disability Day - December 03, 2017

ICFAI University, Faculty of Special Education organised rally on International Disability Day on 3rd December, 2017 with children with disability and teacher trainees. The rally started from BDO, Mohanpur Office and finished at Mohanpur high school covering 3 Kms. Dr. Madhavi Sharma, Principal Faculty of Special Education, had a press conference with media persons, she highlighted on the importance of the International Disability Day, and the work ICFAI University is doing for the reaching the unreached people (Children with Special Needs) and highlighted the services provided in educational lab.

Shri Rakesh Achariya, Vice Chairman, Mohanpur Panchayat Samiti and children with disability flagged off the rally. The procession started with huge enthusiasm, children with disability and teacher trainee actively participated with promotional slogans related to disabilities, awareness pamphlets were distributed among the local public. Local public encouraged the rally, police officials and press media protected and cooperated the rally with enough humbleness. Faculties were announcing during the rally, about the significance of the day and awareness on disability.

Shri Nirmal Kumar Bardhan, the Coordinator, BRC Mohanpur Block, in his speech stressed on the role played by the ICFAI University in producing human resources in the field of disability in West Tripura.

The program concluded with distribution of sweets, total participation was 150.

Impact: School Instructor of Mohanpur Block and Headmaster of Mohanpur High School expressed their interest to join our rally and they joined us with 24 children with disabilities, and in future these children will take our educational lab services.

Community people accepted our rally and joined us, they enquired about our services, local people became very pleased about the services ICFAI University providing.

Flag off by Shri Rakesh Acharya, Vice Chairman, Mohanpur Panchayat Samiti
