

ICARIA is one of the largest techno cultural fests of North Eastern India that has already left behind many established & renowned college festivals of the region by etching its name with pride. In its 11 years of smooth journey, ICARIA, with its sojourn of 3 days and 4 nights musical extravaganza accompanied by some brain storming & fierce competitions, has obtained the stature of a carnival, become an aura of joy and a Steller to PRO SHOW! It is a platform to exhibit the skills, an arena to demonstrate the versatility or just an excuse to come and have loads and loads of fun - February 04-06-07, 2019
