

**Workshop on “The Industrial Automation using PLC, SCADA & Drives”
organized by ICFAI University, Tripura in association with Academy of
Industrial Automation and Technology Department- Feb 13, 2018**

Presence of Dr. P.R. Borthakur, Coordinator, FST, Mr. Sankar Paul, Director, Academy of Industrial Automation & Technology, Kolkata and Prof. Sayantan Chakraborty, HOD, EEE department during workshop on “The Industrial Automation using PLC, SCADA & Drives” organized by ICFAI University, Tripura in association with Academy of Industrial Automation and Technology Department, Kolkata held on 13.02.2018.

Dr. P.R. Borthakur, Coordinator, FST felicitates Mr. Sankar Paul, Director, Academy of Industrial Automation & Technology, Kolkata during workshop on “The Industrial Automation using PLC, SCADA & Drives” organized by ICFAI University, Tripura in association with Academy of Industrial Automation and Technology Department, Kolkata held on 13.02.2018.

Dr. P.R. Borthakur, Coordinator, FST delivering Welcome speech during workshop on “The Industrial Automation using PLC, SCADA & Drives” organized by ICFAI University, Tripura in association with Academy of Industrial Automation and Technology Department, Kolkata held on 13.02.2018.

Mr. Sankar Paul, Director, Academy of Industrial Automation & Technology, Kolkata delivering speech during workshop on “The Industrial Automation using PLC, SCADA & Drives” organized by ICFAI University, Tripura in association with Academy of Industrial Automation and Technology Department, Kolkata held on 13.02.2018.

Prof. Sayantan Chakraborty, HOD, EEE department delivering Vote of Thanks during workshop on “The Industrial Automation using PLC, SCADA & Drives” organized by ICFAI University, Tripura in association with Academy of Industrial Automation and Technology Department, Kolkata held on 13.02.2018.

Group photo of Dr. P.R. Borthakur, Coordinator, FST, Mr. Sankar Paul, Director, Academy of Industrial Automation & Technology, Kolkata, Faculty members and Students during workshop on “The Undustrial Automation using PLC, SCADA & Drives” organized by ICFAI University, Tripura in association with Academy of Industrial Automation and Technology Department held on 13.02.2018.

Students carrying out an experiment during workshop on “The Industrial Automation using PLC, SCADA & Drives” organized by ICFAI University, Tripura in association with Academy of Industrial Automation and Technology Department, Kolkata held on 13.02.2018.
