

# Report on Waste Management

The IUT Eco-Club has been established by all the concerned members of ICFAI University Tripura in the month of January, 2019. After that, this club has done wonderful work in the vicinity of the campus and by raising awareness inside and outside the campus with some rally and drama in the previous year.

This club is working with relevant objective as:

- Be aware and make aware about environment for better life.

The IUT Eco –Club has organized some activities which are directly related to the waste management. Waste management includes the various activities and actions required to manage waste from its inception to its final disposal from our society, it is only possible when we are aware and do the needful in a mandatory way. This work includes the collection, transport, treatment and disposal of household waste, construction waste, sewage waste together with monitoring and regulation of the waste management process. We can divide it into three main components - solid waste management include onsite handling, storage and processing; waste collection; transfer and transport of solid waste; and waste recovery and final disposal. Now a day, people know quite a lot but when it comes to execution, real issues are found to exist. But by simply segregating the waste in different ways like Refuse, Reduce, Repurpose, Reuse, Recycle, Rot, Rethink of waste, we may control many waste in our locality. That's why Club has decided to conduct some activities among University Students and spread the same in the society.

Club has planned three activities and one talk lecture among the university Students, the following activities were planned as Quiz, Poster Competition and Easy cum Speech among the students.

After getting approval from the competent authority of the University, activities and program were scheduled on 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> of October for Quiz, Poster Competition, and Essay cum Speech competition respectively.

After approval the different links were added on this page and circulated among the students as well as HOD of different departments of the University.

The poster features the IUT logo on the left, which is a red circle with a white star and the text 'The ICPAI University TRIPURA'. To the right of the logo, the text 'IUT ECO-CLUB' is written in large, bold, green letters. Below this, the word 'Organises' is written in red. The main title 'Awareness on Waste Management' is written in bold red letters. The background of the poster is a green landscape with a yellow sun in the top right corner. In the foreground, a hand is holding a globe of the Earth with a green tree growing on it. To the right of the globe, there are silhouettes of a wind turbine, a tractor, a building, and a bus. The text 'Dr. Dipangshu Dev Chowdhury Resource Person FMS, IUT' is written in red on the left side of the landscape, and 'Dr. A. Ranganath Head, IUT Eco-Club Registrar, IUT' is written in red on the right side. At the bottom right, the date 'Date: 29/10/2020' is written in red.

Awareness Lecture session was conducted from 11:00 am to 12:05 pm on Google Meet platform and this program was started with formal greetings and introduction of Guest by Mr. Priyank Kumar Shivam, In-charge, IUT Eco-Club and Assistant Professor, FOE; Welcome and IUT Eco-Club introductory speech was delivered by Dr. A. Ranganath, Head, IUT Eco-Club & Registrar, IUT, Resource person Dr. Dipangshu Dev Chowdhury, Asst. Professor, FMS, IUT who delivered a wonderful and a very awakening and thoughtful lecture in front of us in connection with waste Management in this modern era. Dr. Dipangshu Dev Chowdhury rightly stated that people are all familiar with things about waste management but when it comes to implementation or transforming into action, people fail. He said this problem has to be sorted out and eliminated. In this program, Prof. (Dr.) Prem Shankar Srivastava, Professor and Principal, FoE, Mr. Biswajit Chakraborty, Coordinator, FOE, Mr. Bheem Pad Mahato, Dr. Aditya Kumar Das, Mrs. C. Arundhathi Bai, and Dibya Jyoti Sinha, Research Scholar, FOE were present from FOE family besides that approx 70 participants from different program had joined on above said platform. Dr. A. Ranganath,

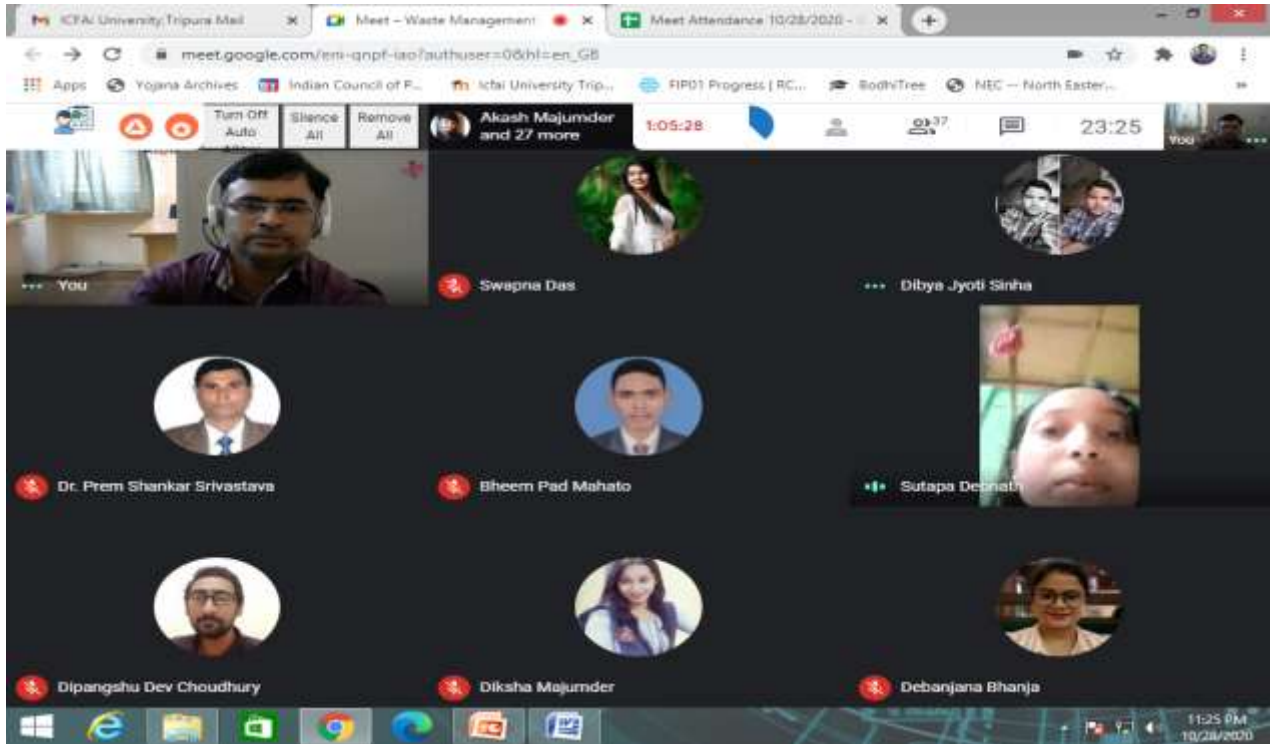

Head, IUT Eco-Club & Registrar gave emphasis on ecological balance and sustainable development without depending much on the usage of bio-degradable products. Prof. (Dr.) Prem Shankar Srivastava welcomed all the distinguished guests and said that waste management is something that people should really be concerned about. Dibya Jyoti Sinha, Research Scholar, FOE thanked esteemed and respected Registrar of ICFAI University Tripura, Dr. Dipangshu Dev Chowdhury, Asst. Professor, FMS, IUT, Prof. (Dr.) Prem Shankar Srivastava, Professor and Principal, FoE, and other distinguished persons for allotting their precious time for a program which is so crucial because of its direct relation with the environment of not only India but the world. The rest of the participants were also thanked by him for their presence and for their active participation in a noble and concerning program. He said that waste management is the amalgamation of two terms viz., waste which means thrown outs and management which means getting a work done for getting maximum desired results. Wastes are seen everywhere. It is in the lands, oceans, rivers, lakes, ponds, etc. When such is the case, it is everybody's duty to refuse to take and use plastic bags given by shopkeepers. Instead of that, people should go with bags made of cloths which are easily biodegradable. He ended with thanking Honourable Registrar of IUT and other respected dignitaries for their presence in an esteemed program like 'Awareness on Waste Management' which is so crucial and necessary for the teacher trainees as well as Mr. Priyank Kumar Shivam, In-charge, IUT Eco-Club and Assistant Professor, FOE who organized and managed the program wonderfully.
