Overwhelming response to the Workshop on Entrepreneurship and Business Planning at The ICFAI University Tripura.

The ICFAI University Tripura in association with Indian Institute of Management (IIM), Ahmedabad and Nurture Talent conducted a Workshop on Entrepreneurship and Business Planning at The ICFAI University Tripura Auditorium on 28th October 2014. Mr. Amit Grover an alumni of IIT Delhi and IIM Indore conducted a very lively and enlightening workshop in which 78 student and faculty members from the ICFAI University Tripura, NIT Agartala, Tripura University, Holy Cross College and Udaipur College participated enthusiastically. He has worked with Infosys, Asian Paints and Onida, before starting Nurture Talent Academy, India's 1st institute for training entrepreneurs. The inauguration speech was made by Prof. Biplab Halder the honourable Pro-Vice Chancellor of the ICFAI University Tripura in which he encouraged the participants to embrace entrepreneurship and social marketing. Entrepreneurship have become a very important area of interest for academicians, students and professionals considering the thrust in this area by the new government with launch of policies like "Make in India" and "Made in India." Entrepreneurship has also proved itself as a solution to poverty by creating wealth and employment at one hand and raising the standards of living of millions of people by bringing in innovative products and services at affordable cost. The Agenda of the workshop was Introduction to Entrepreneurship - Insights into entrepreneurship, challenges in business. What are the skill set /mind-set of entrepreneurs and key requirements for starting up? Idea Games and how to generate ideas? Make your own Business Plan -Case Study and sample business plan. How to make an effective B-plan? Movies, games, exercises and quizzes to understand opportunity, vision and team work. Sales and Marketing - Marketing and Sales Games, Digital Marketing and emerging trends. Finance Funda - Entrepreneurial Finance, Loan vs Stocks Valuations and Sources of Funding. Legal and IP - How to setup your startup? Type of legal structures of a company, copyright, trademarks and patents. The participants of the event have automatically qualified to participate in the "**Masterplan IIMA**" to be held in November at IIM Ahmedabad. The qualifying participants will have an opportunity to own prize money worth Rs 5 lakhs and get face to face with leading venture capitalists, angel investors and industry experts.

The ICFAI Foundation for Higher Education

(Deemed to be University u/s 3 of the UGC Act 1956)

The ICFAI Foundation for Higher Education (IFHE) is a Trust registered in 2005 under the Indian Trust Act. It was carved out of the Institute of Chartered Financial Analysts of India (ICFAI), a not-for-profit educational society registered in 1984. The IFHE was declared as a Deemed-to-be-University under Section 3 of the UGC Act, 1956, in December 2008 with ICFAI Business School (IBS) Hyderabad (Faculty of Management) as a constituent unit. The Faculty of Science & Technology and the Faculty of Law were started in 2010. The Bar Council of India has also approved the Faculty of Law Program. The Chancellor of the University is Prof. C.H. Hanumantha Rao a distinguished economist.

The University was accredited by NAAC in 2010. IBS Hyderabad has been consistently ranked among the top business schools in India. It is one of the first three business schools from South Asia to get the SAQS accreditation from AMDISA (Association of Management Development Institutions of South Asia). It first received the accreditation in the year 2006 and got reaccredited for another five years in the year 2013. It has also received a rating of A** from CRISIL and EB2 IN from ICRA. It has been rated as an excellent Business School in India by Eduniversal. It is one of the largest business schools in Asia.

To make management education more application oriented, the University has a Case Research Center (CRC) which has developed a large number of cases. The University is a member of the Case Centre, UK (formerly European Case Clearing House), which is the largest case repository in the world. We rank among the world's top five contributors to the repository. The cases developed at the CRC are used the world over. Some are published as part of standard international and Indian textbooks and case books. The cases developed here have won several international prizes. The University offers the BBA, MBA, PhD, BTech, and BBA-LLB (Hons) Programs. The quality of the programs offered at the University is ensured by choosing a curriculum that is relevant to society and through student-centric academic delivery, continuous evaluation and feedback, and industry and foreign collaborations as well as faculty research. The University has a student strength of around 3000 and faculty strength of over 200.

The University provides a balance between academic, co-curricular, extra-curricular, and social activities with the aim of turning out students who are well-rounded individuals.
