

## **IDIA plans open Chapter at ICFAI**

Kamalghat, December 7:

IDIA (Increasing Diversity by Increasing Access to Legal Education), a pioneer organization in the Legal Education sector across the Country, is looking forward to open its Chapter at Kamalghat Campus of ICFAI University, Tripura. IDIA's main object remains to be helping marginalized and under-privileged students to get access to Legal Education.

IDIA Director (Operations) Mr. Arnab Roy, who very recently visited the Campus of ICFAI University Tripura and interacted in breadth with legal education students, declared that IDIA had decided to open a Chapter at ICFAI University, Tripura due to its excellent law department with well qualified faculty members and very enthusiastic law students. The faculty, staff and students, who attended the interactive session, were extremely delighted upon the announcement of Mr. Roy. During the visit to ICFAI University, Tripura, Mr. Arnab Roy was accompanied by Mr. Shameen Kibria, the Associate Director of IDIA.

The IDIA project was initiated to reach out to marginalized and under-represented groups, sensitize them to law as a viable career option and help interested students acquire admission to law schools. It is hoped that such access to legal education would go some way towards empowering the marginalized and underprivileged students and the communities that they represent.

The IDIA Project seeks to empower marginalised communities by fostering access to the leading law schools. Along with sensitisation and intensive training programs, IDIA will also attempt to drive policy in the area of "inclusive" legal education and "diversity" within law schools and the legal profession.
