

Nationwide Survey by 'India Today'
ICFAI Tripura ranked among top 100

Kamalghat, June 28:

Offering qualitative higher education always brings laurels and recognition for the organization. The ICFAI University, Tripura offers high quality, contemporary and placement oriented programs that have given nationwide recognition. A nationwide survey carried out by famous INDIA TODAY Group has ranked ICFAI University, Tripura among leading 100 educational institutions for offering high quality B.Tech programs.

The INDIA TODAY Group considered standard of curriculum, quality of faculty members, infrastructure, admission criterion and placement assistance provided to the pass out students while assessing the rank. The Law School of ICFAI University was ranked 28th across the Country. The Pro-Vice Chancellor of ICFAI University, Tripura Prof. Biplab Halder informed these in a Press Release today.

Prof. Halder said the University aims at grabbing position among leading 50 institutions of engineering education by next two years and would execute specific plan to pursue the mission. The central library is being re-equipped with induction of precious course-wear while the science laboratories with modern machines and tools, the Pro-VC informed.

He added that, highly experienced faculty members are being recruited from different parts of the Country to further upgrade the standard of teaching. Besides, the University had undertaken effective steps to ensure suitable placement of pass out students, Prof. Halder pointed out.

Meanwhile, ICFAI University Tripura has been awarded ISO 9001:2015 certificate for Promoting Quality Education, Research, Training and Consultation amid a Quality Management System.
