ICFAI signs MoU with Directorate of Information Technology

AGARTALA, Aug 23: An MoU has been signed between The Directorate of Information Technology, Government of Tripura and the ICFAI University, Tripura on 18th August this year, a press release issued today said.

The MoU was signed by Dr. Naresh Balaji N. IFS, The Director of IT Guyana.

ment of Tripura and Dr. A. K. Ganguly, Registrar of the ICFAI University, Tripura.

To support the start-up initiatives of Tripura, the Government of Tripura has framed an ecosystem that promotes innovation in educational institutions.

The University will encourage the students, researchers & alumni of the

University by providing necessary counseling support for innovative concepts and will help them to solve local problems with the help of appropriate IT/ITES based solutions. For each project, the team will be getting funding to formulate a business model for becoming entrepreneurs.

provide financial assistance for setting up & operation of the Incubation Centre in the University, the release

The main objective of the scheme is to create an ecosystem that promotes entrepreneurship & innovation activities in Tripura. The University is going to set up the incubation centre with required infrastructure for the implementation of the scheme very soon with the grants received from the Directorate of IT, Government of Tripura.

The monitoring of the scheme will be jointly done by the Directorate of Information Technology of Government of Tripura at State level and the University at the institutional level respectively.
