About the University

The ICFAI University, Tripura has been established through an act of the state legislature (Tripura State Legislature Act 8 of 2004). The University is recognized by UGC under Section 2 (f) of 1956 and the university is empowered to award degrees under section 22 of UGC Act, 1956. The University is currently offering 52 (fifty-two) programs in Management, Commerce, Engineering, Law, Teacher education, Special Education, Physical Education, English, Yoga and Library Science etc. The University strives to provide quality education with an objective to provide the students with an appropriate combination of conceptual framework and practical insight into managerial, technological, legal challenges as well as business opportunities for grooming entrepreneurial initiatives. It also provides exposure to real business problems and situations through industrial visits to different business sectors, case-studies and industrial interactions.

Registration Detail

For the smooth conduct of the program, an online Google Form was created to facilitate participant registration. The registration form was designed to capture essential information such as the name, designation, university/institutional affiliation.

Registration Link of the Session

<https://forms.gle/GcVwxdC6xGtxtxJ>

This registration form has been circulated among the participants to fill in their names, program, and university details. This process ensures that all participants are properly registered and can actively take part in the program. It also helps in maintaining coordination and ensuring that the registration procedure runs smoothly and efficiently.

Brief Report of the Program

The Faculty of Allied Health Sciences and the ICFAI Nursing School, in collaboration with the Centre for Doctoral Programs, ICFAI University Tripura, organized a two-day symposium titled “**Research Acumen of Healthcare Professionals: Challenges and Opportunities**” on **17th and 18th November 2025** at the Ground Floor Auditorium of the University.

The inaugural session on 17th November began with the welcoming of dignitaries, followed by addresses from senior university officials including the Vice Chancellor, Prof. (Dr.) Biplab Halder; Dean of Academics, Prof. (Dr.) Subhasish Chatterjee; Dean of Doctoral Program, Dr. Dhananjoy Datta; Principal, FAHS, Dr. Rajiv Kumar Mondal; and Principal, ICFAI Nursing School, Prof. Sikha Deb. These introductory remarks emphasized the growing need for strong research competencies among healthcare professionals.

The keynote session was delivered by **Prof. Ranabir Pal, Professor of Community Medicine**, MGMMC, Bihar, on the theme of the symposium. His talk provided deep insights into the evolving research landscape in healthcare, highlighting emerging challenges, opportunities, and the role of academic institutions in nurturing scientific inquiry. A dedicated Q&A session enabled participants to engage directly with the resource person.

Post-lunch, participants visited various departments to observe research-related activities and infrastructure.

On the second day, a **One-on-One Faculty Meet** was conducted to discuss research development strategies, collaborations, and future academic outlook. This interactive engagement allowed faculty members to seek personalized guidance and explore potential research pathways.

Overall, the two-day symposium served as an enriching platform to strengthen research culture within the healthcare domain and promote academic growth among faculty and professionals.

Outcome and Highlights

- **Enhanced Research Awareness:**
Participants gained a clear understanding of the current challenges and emerging opportunities in healthcare research.

- **Strengthening of Research Skills:**
The sessions provided direction on improving research acumen, methodology, and academic rigor among healthcare professionals.

- **Improved Interdisciplinary Collaboration:**
The symposium facilitated interaction between the Faculty of Allied Health Sciences, Nursing School, and the Research & Development Department, encouraging collaborative research initiatives.

- **Exposure to Expert Insights:**
The keynote address by an experienced medical researcher broadened participants' perspectives on contemporary healthcare research demands.

- **Faculty Development:**
The One-on-One Faculty Meet supported personalized academic mentoring, enabling faculty to refine research agendas and explore future pathways.

- **Strengthening Institutional Research Culture:**
The programme contributed to building a research-oriented environment within the university, promoting inquiry, innovation, and academic excellence.
