Gender Sensitization Policy of “The ICFAI University Tripura”

The ICFAI University Tripura acknowledged the importance of women empowerment and established the Gender Sensitization Policy of the University in view of the National Policy for the Empowerment of Women for Sustainable Development. The policy of the University aims in developing a sustainable and inclusive environment by empowering the women and girls so that they can contribute to the development of the University and the community as a whole. The Policy is as depicted under:

- (1) To develop gender equality in all aspects of University and throughout the University community.
- (2) To empower women stakeholders of the University with skills and to take necessary action to develop self-confidence in participation for the development process of the University and society.
- (3) Creating a constructive and distinguished atmosphere for women staff and girl students in the University with regards to zero-tolerance in gender based harassment or exploitation.
- (4) To developing the leadership skills and organizational capabilities of female students and faculties.
- (5) To promote gender balance in various decision-making capacities.
- (6) To motivate equal opportunities initiatives for women for leadership in both Academic and Administrative arenas.
- (7) To conduct awareness programs on women's role for socio-economic development of the society and country as a whole and to conduct extension services.
- (8) To organize research, training seminar/ workshops and special lectures etc on gender equality.
