

Prof. (Dr.) Swarnali Nath Choudhury

Dean (Placement)

Job Profile

The Dean – Placement is responsible for strategizing, managing, and enhancing the campus recruitment and internship of the University. The role involves building strong industry relations, ensuring high placement rates, and aligning student skill development with current market needs. The Dean leads a dedicated placement team, oversees student training programs, engages with corporate partners and alumni, and ensures a transparent and effective placement process in line with institutional goals.
