"Faculty members and students of ICFAI Technical School, ICFAI University Tripura celebrated the World Environment Day, 5 JUNE 2023 by a Tree plantation drive. World Environment Day, 5 JUNE 2023 was a reminder that people's actions on plastic pollution matters. By planting a single tree, we can contribute to fight against climate change, conserve biodiversity, and improve the overall quality of life for people and express awareness and commitment towards environmental protection."
