ABOUT THE UNIVERSITY:

The ICFAI University, Tripura (referred to hereafter as the University) was established in 2004 through an Act of State Legislature (Tripura Act 8 of 2004). The ICFAI University, Tripura is included in the list of universities maintained by the University Grants Commission (UGC) under Section 2(f) of the UGC Act, 1956, vide their letter No. F.9-7/2006 (CPP-I) dated October 30, 2006. The ICFAI University, Tripura is a member of the Association of Commonwealth Universities (ACU), London, UK, Association of Indian Universities (AIU), New Delhi, India, The Institution of Engineers, India and Association of Management Development Institution in South Asia (AMDISA), Hyderabad. The University has accreditations of the following regulatory authorities: Bar Council of India (BCI), National Council for Teachers Education (NCTE), Distance Education Bureau (DEB) and NAAC. The University offers Bachelor, Master, and Doctoral programs in management, engineering, science, information technology, paramedical science, education, law, physical education, liberal arts and related areas.

The University believes in creating and disseminating knowledge and skills in core and frontier areas through innovative educational programs, research, consulting and publishing and developing a new cadre of citizens with a high level of competence and deep sense of ethics and commitment to the code of professional conduct.

ABOUT THE RESEARCH & DEVELOPMENT CELL (RDC):

The ICFAI University Tripura has established Research & Development Cell (RDC) as per guidelines of the UGC. The Research Advisory Council of RDC is chaired by Prof. Dr. Biplab Halder, hon'ble Vice Chancellor of this University. For the smooth functioning, the RDC consists of five different committees. The Cell conducts all the research and development activities of the ICFAI University Tripura with the guidance of hon'ble Vice Chancellor and Dr. Tapan Kumar Mandal (Dean of R&D).

OBJECTIVE OF THE CONFERENCE:

The one week online FDP for the faculty members, research scholars, researchers and academic fraternity aims to focus on the basics of research, research methodology, data analysis techniques, writing skills and publications. The FDP is also intended to install and strengthen high moral and ethical values in scholars, researchers, and faculties. Overall, this FDP will provide participants with practical insights and the processes required to be involved in meaningful research for the betterment of society and derive publications in high impact journals from the research upholding highest ethical standards.
