"The Faculty of Special Education of the ICFAI University, Tripura has organized a "Parents Meet" on 27th July, 2022 as a part of celebration of "National Parents Day 2022. During the Parents Meet, Dr. Silali Banerjee, Coordinator of Faculty of Special Education interacted with Parents. Afterwards the Faculty members and Students have explained their activities at the Resource room / Special Educational Lab of the University. The Parents also visited the NJY Central Library along with their wards. The Program ended with a Group Photo Session.

The Parents were really pleased and expressed their gratitude towards the University for the various initiatives taken by the University for the development of the students of Tripura and the society as a whole."
