RURAL DEVELOPMENT**

## **ABOUT THE UNIVERSITY:**

The ICFAI University, Tripura has been established through an act of the state legislature (Tripura State Legislature Act 8 of 2004). The University is recognized by UGC under Section 2 (f) of 1956 and the university is empowered to award degrees under section 22 of UGC Act, 1956. The University is currently offering 57 (fifty seven) programs in Management, Rural Management, Commerce, Engineering, Law, Teacher education, Special Education, Physical Education, English, Yoga and Library Science etc. The University strives to provide quality education with an objective to provide the students with an appropriate combination of conceptual framework and practical insight into managerial technological and legal challenges and business opportunities for grooming entrepreneurial initiatives.

## **PREAMBLE:**

Socio-economic development is a critical aspect that must be considered in order for the country's growth and development to be effective. It is largely focused on improving educational systems, career prospects, lifestyles, incomes, skill development, and cultural aspects. Poverty, illiteracy, and unemployment are key roadblocks to socioeconomic growth and empowerment. Specific problems related to the forces responsible for social change and development can be addressed. The factors that hinder the changes in the economical status of the society can be identified and a strategic framework for solving the problems can be suggested. With a view to focus on the emerging issues and recent trends in the development of socio-economic spectrum, the ICFAI University Tripura attempts to organize a national seminar with this theme. The Seminar will emphasize the importance of cultivating a scientific mindset in order to accomplish India & overall socio-economic growth. Faculty members, researchers, and academicians from various disciplines are called for submitting research papers in order to present their work and share the recent issues, opportunities and future prospects in development issues.

## **OBJECTIVE OF THE SEMINAR:**

- ◆ Generate policy, program, and institutional recommendations which will encourage socio-economic development.
- ◆ Disseminate the outcomes as widely as possible among communities of academicians, researchers, and entrepreneurs to streamline the growth and development.
- ◆ Drawing the roadmap that leads to identifying trends and future social-economic development.
- ◆ Provide a platform for intellectuals, social reformers, and service providers to discuss the strands of socio-economic development and how the society will be benefited from such developments.
- ◆ Focus light on the emerging problems and the factors that hinder the socio-economic development in India and discuss tentative solutions to overcome those problems.
