

## Observance of World Awareness Autism Day- 02<sup>nd</sup> April, 2022

An endeavor to bring smile to the faces of these kids – educational tour on the occasion of the World Awareness Autism Day.

A feeling of gratification for the faculty & students on having played a part in providing a ray of hope to these differently-abled children - on the occasion of World Awareness Autism Day.

An act of kindness will resonate with them – students with children during World Awareness Autism Day.
