The ICFAI University Tripura has the following the facilities in the campus:

1.Counseling Room

Life as a University student can be bright and full of hope for the future. However, one may from time to time feel anxious and apprehensive, or be faced with unexpected difficulties. International students as well as students from other states face the additional challenge of adjusting to an unfamiliar cultural environment. At the Student's Counselling Room, specialized staff offers counselling regarding university life, career issues, friendship issues and personality issues, among others. The staffs at the counseling rooms are composed by clinical psychologists. Professional counsellors respond to various problems that could occur in daily life. Consultations are free and available both in English, Bengali and Hindi.

The Counselling is provided to help with problems such as the following:

- Difficulty in making friends
- Reluctance to go outside
- Melancholy
- Nervousness about minor matters
- Lethargy
- Worries about the future
- Self-criticism
- Difficulty in sleeping
- Family troubles
- Other problems related to education, mental health, etc.

Location

The Counselling Room is located adjacent to the Psychology Lab of the university.

2.Day Care Centre

The Day Care Centre at ICFAI University Tripura was established under the UGC guidelines for providing child care centres in the universities and college during the X Plan period. The centre is managed by the Management Committee constituted by the university authority. The main objective of the centre or scheme is to provide day care facilities to the children of age group of three months to six years of the working parents, students and visiting guest of the university. The facility is also extended to the child of research scholars and local community working parents in the vicinity of the university.

The Centre recognizes that child care is not just the responsibility of women and families but also of institutions in the public sphere like the University where workers/students, especially women who are also parents are constrained by the simultaneous responsibilities of childcare and work. Hence the University has provided for the Day Care Centre on the campus with nominal fees so that all the staff can access its services.

Infrastructural facilities:

The Day Care Centre is running with a number of equipments and play toys that have been procured during the previous year. During the reference period computer tables with six chairs were provided by the University administration for the supervisor's office. At present the centre is equipped with all necessary infrastructures and play toys for cognitive and physical development of the children.

Requirement for Admission in the Centre:

1. Birth certificate of the child/children.
2. Medical fitness certificate.
3. Salary statement of the parent.
4. Two copies of passport size photos.

Location:

The Day Care Centre is located adjacent to the main Academic building of the university.

Timings of the Centre:

Monday to Friday: 09:00-18:00

3. Girls' Common Room

There is a need for personal space especially for girls who are young adults. This is very essential for them to interact, discuss with their counterparts and also rest if and when needed. Our university has recognized the need for this personal space for girls, especially in a co – educational Institution and has a separate room for the girls.

The Girls' Common Room is situated at the basement. Measuring 20' x 25' ft. the room is properly ventilated, well- lit, neat and clean to provide a friendly ambience to its users.

Location of Common Room for Female Students:

This room is located at the basement floor of the Main Building so that the room can be accessed by all female students of the university.

Facilities:

Following facilities are made available for the students.

- **Toilets and Bathrooms:** A care taker is appointed for cleaning the toilets and bathrooms.
- 24x7 Electricity Service
- 24x7 Wi-Fi facility
- Newspaper and Journals are also placed in the common reading room for the use of the students.
- A good number of table chairs for students to study.
- There is provision for a few indoor games.
